NO LONGER A LUXURY.—A few years since a spring bed was regarded as a luxury, and only used by favored members of the family. Jones' bed springs are fast working a revolution in this respect. The firm of Chas. Schoenmeyer & Co., corner of Commercial and Tenth street, received the agency for the sale of Jones' bed springs some six months ago. Since that time this firm have been selling innumerable numbers of them to our citizens at prices which place them within the reach of every family. They have in every instance been pronounced as the cheapest and best bed to be found anywhere. Bed-sleepers and householders would do well to furnish their beds with them, as their cost alone will be saved during the first year. This firm has also on hand a large stock of sofas and lounge which were manufactured by their own workmen with a view to durability, besides a large lot of chairs, bedsteads, wardrobes, bureaus, stand tables, children's chairs, and in fact everything in the line of house furnishing articles found in any house in the city; all of which they offer to the public at actual cost price within the next ten days. Give them a call and look for yourselves. 1:17-18.
